

# Impact Entry Level

*"Challenging communities to embrace the healthy development of children"*

This program has been developed to enable people of color who work in early childhood education and who provide in home child care services an opportunity to earn certification through enhancing their skills.

## Components of Impact Entry Level

The program is a seven week, 42 hour training that provides basic entry level courses on topics such as:

- What is Quality Child Care
- The Business Side of Child Care
- CPR
- First Aid & Blood Borne Pathogens
- Building Cultural Connections
- Food & Nutrition
- and more...

Classes are held in the evening and at no cost to participants!

In-service certificates will be given upon program completion
