**What is Impact ?** A twelve month, 12 credit course through the community colleges. With the completion of the course work and work related experience, students qualify to be an assistant teacher in a child care center. Emphasis on culturally responsive care will be incorporated into these courses to ensure the cultural competence of all practitioners.

**Who can apply?** Persons who are in the field or are looking to come in the field and wish to upgrade their skills.

**Where are the classes located?** These evening & weekend classes are community based at ECRTC with instructors from the community colleges.

**What is the financial obligation?** This program is at No Cost to the enrollee. ECRTC pays class fees, book and materials.
